It doesn't hurt
How does it feel?
It doesn't hurt
How does it feel?
I want to know what it feels like
For every one fearing it
Now I'm loosing senses
Now I'm loosing senses
And it still doesn't hurt

You can't let me down, anymore
Not below, not above
All the same, nothing changed
Nothing lost, nothing left

You don't want to see me
From the hate in your head
You can't lie straight in bed
But nothing else will matter
Cause' I'm an end in myself

How does it feel?
It doesn't hurt
How does it feel?
I want to know what it feels like
For every one fearing it
Now I'm loosing senses
Now I'm loosing senses
And it still doesn't hurt

(How does it feel?
To be left out...
How does it feel?
To be kicked down on
What I'm for and why I'm here
I'm an end in myself
I'm an end in myself
I'm an end in myself
I'm an end in myself
I'm an end in myself...)
