Have you ever loved someone so much
That a tear in your eye comes welling up
Well how much more is your Fathers love?

Coz I love the rain
Its like tears are falling from my Father?s face
I love the rain
Tears from up above
And that?s my Father?s love

Well have you ever known
The sting of shame
You're walking around, you carry the weight
Wondering if your tears will wash away

I love the rain
Its like tears are falling from my Father?s face
I love the rain
Tears from up above
And that?s my Father?s love

I love the rain
Its like tears are falling from my Father?s face
I love the rain
Tears from up above

I love the rain
Its like tears are falling from my Father?s face
I love the rain
Tears from up above
That?s my Father?s love
