I wanna smile
Like I never did before
I wanna smile
I don't want to cry no more

I see the sun
Rising up
I'm gonna run
To see if I can catch up

When I'm losing all my hope
Can you hold my hands
So I can smile cause'

I wanna smile
Like I never did before
I wanna smile
I don't want to cry no more
I wanna smile I want to know
Why time feels so slow
Cause's I need to smile

I see the town
Getting painted red
I'm gonna be the clown
To make up the head

Smile's might not be the best
And I might not be able to smile at all
The pain in my arms might not be that small
The pain
I might not be able to stop the rain
Falling down' from my eyes

When I'm losing all my hope
Can you hold my hands
I wanna hold your hands
Just to catch all my hope
And smile again

I wanna smile

Like I never did before
I wanna smile
I don't want to cry no more
Everyone's under the sun
And is given the equal light
Don't cry, just smile
I wanna smile
