Look inside my mind Immanuel...
Help me to find a place for myself,
I know this world is cruel but I, am just, just as bad.

Am I losing my mind?
Oh Immanuel, am I closer this time?
Oh Immanuel, constant debating...
Wooooooo...
Am I closer this time?
Oh immanuel...

Your the same as me I know this is true,
Why do i do the things that i do,
I know this world is cruel but I am just, just as bad,

Am I losing my mind?
Oh Immanuel, am I closer this time?
Oh Immanuel constant debating...
Wooooooo...
Am I closer this time?
Oh immanuel...

No time to make a peace for me,
I wait for this, to find a way,
I will try to make a better day,
I need your help the only way

Am I losing my mind?
Oh Immanuel,
Am I closer this time?
Oh Immanuel constant debating...
Wooooooo...
Am I closer this time?
Oh immanuel

Am I going crazy?
Am I losing my mind?
Am I going crazy?
