I wanna scream and cry
I've tried to learn a lesson
Maybe I got a little closer
But it's not enough, not enough

(It's such a wonderful world today
It's a lie, it's a lie, it's a lie)

I want to be alone today
Because no one replies to what I say
I know I need to try harder
But it's never enough, I can't get a hold

(It's such a wonderful world today
It's a lie, it's a lie, it's a lie)

I turn on the radio
So I can separate myself from everyone
I know I need to live better
But it's not enough, for anyone else

(It's such a wonderful world today
It's a lie, it's a lie, it's a lie)

I watch the sun rise and fall
And put myself in a world without them
I know I need to be braver
But it's just not enough, I can't be enough

(It's such a wonderful world today
It's a lie, it's a lie, it's a lie)

I wanna scream and cry
I've tried to learn a lesson
But I still don't why
I need to get a little closer
But it's not enough, not enough

(It's such a wonderful world today
It's a lie, it's a lie, it's a lie)
