all of my love is a ribbon of scarlet  
covers the head of the Loveliest Bride  
come, come away...come with me tonight  
followed by a train of the purest white  
washing and kissing bringing to life  
selah...

brighter than the sun  
and sweeter than wine  
none can compare to the loveliest bride  
she is the very tear on My cheek  
she is the only treasure I seek  
she is My fragrant, My everything  
selah...

great is the One who lays down His life  
great is the Love of One who would die  
just for the sake of the Loveliest Bride

"...come on and open me  
...there's a beautiful glow for You to see."
