tu meri jindagi hai, jine ki har khushi hai
tere har khaab ko sajaane main sajaane aaya
tu meri aashki hai, dil ki deewaaanagi hai
duri jo darmiya mitaane main mitaane aaya
hey doli sajaunga tujhako bithaunga, le jaayunga aaj
main
kal kisane dekha hai, kal kisane dekha - (2)

main aahein bharta hoon, jita hoon marata hoon
teri nigaahon ka nishaana hoon
tera hi hona hia, tujhame hi khona hai
teri adaaon ka deewaana hoon
sabko dikhaunga waada nibhaunga, le jaayunga aaj
main
kal kisane dekha hai, kal kisane dekha - (2)

masti ki raatein hain, masti ki baatein hain
aaj ghadi ko ji le ji bhar ke
yeh pal na khona hai, hoga jo hona hai
duniya mein jina kya bhala darr ke
naachunga gaayunga sabko nachaayunga, le jaayunga
aaj main
kal kisane dekha hai, kal kisane dekha - (2)
