Kalashnikov's gonna tell you a litle bed time story now  
The kind of story you don't want to tell your children  
At night  
A story were thousands of people died

The place was China  
And the year 1989  
A bunch of students  
Occupied a square  
In the center of town  
Asking for no much than  
Peace and democrocy

But China is a big country  
They don't want no fucking  
Pussy democracy there  
So they sent the army

Tiananmen Tiananmen  
Kill another yellow man

It Was in the first hours  
Of the morning  
When the tanks and the soldiers  
Start to shoot over  
Tiananmen square  
The great Majority  
Of the students  
Were only sleeping at the time  
They died without knowing  
That the men Who killed  
Them was their own blood

Tiananmen Tiananmen  
Kill another yellow man
