You only got one 1 shot, 1 shot, 1 shot
This could be my only shot
You only got one 1 shot, 1 shot, 1 shot
I gotta take the shot
You only got one 1 shot, 1 shot, 1 shot
Hey, I gotta take the shot

You take a shot at me you better hit
If I take a shot at you, I ain't gonna miss, naha
Hey, I'm talking swish, yeah, hey
You know you gotta take it, but you know you better
make it
No mistaking, hey, yeah

One shot, one shot, you only got one
Shoot your best shot, granny told me that when I was
young
Paparazzi taking shots but I won't be posing, ain't no
posture
Try the same shot, camera off, poster
Wake up early morning, camera on, time to shoot
2k, Christian louie shot, make sure you shoot my shoe
My home girl got no ass shotâ€¦in the game, make that
ass shot count
Make it last, with 2 mill like for my wrist shot,
complement my next shot
Caught me slipping 1, but never again, you gonn get
your next shot
Took a shot at law that shit didn't work as if it worked
the shot
Took a shot at revenants streetâ€¦!

You only got one 1 shot, 1 shot, 1 shot
This could be my only shot
You only got one 1 shot, 1 shot, 1 shot
I gotta take the shot
You only got one 1 shot, 1 shot, 1 shot
Hey, I gotta take the shot

You take a shot at me you better hit
If I take a shot at you, I ain't gonna miss, naha

Hey, I'm talking swish, yeah, hey
You know you gotta take it, but you know you better
make it
No mistaking, hey, yeah

When it go home, it could be my only shot
Play with me I'm at your door, play with me you gonn
get shot
Hood call me sirrock all day long don't take no shot
Pussy niggas want me gone, I hear them talking they
taking shots
Got the young niggas with me, all they carry is one
missile
Shoot 100% from the field, they shoot it, they don't
miss em
I know hard to ball, team work, my niggas they get a
shot
I throw the alley up, â€ pray for me baby I'm gone
I'ma take one shot, bet I make it..

You only got one 1 shot, 1 shot, 1 shot
This could be my only shot
You only got one 1 shot, 1 shot, 1 shot
I gotta take the shot
You only got one 1 shot, 1 shot, 1 shot
Hey, I gotta take the shot

You take a shot at me you better hit
If I take a shot at you, I ain't gonna miss, naha
Hey, I'm talking swish, yeah, hey
You know you gotta take it, but you know you better
make it
No mistaking, hey, yeah.
