[Intro:]

Yea

If I ain't busy doing something  
I'm busy thinkin of something to do  
Get some business bout yoself

[Verse 1:]

I be so busy gettin money I ain't got time to talk  
Be too busy buying cars I ain't got time to walk  
Be so busy on the low I ain't got time to eat  
Be so busy on the hustle I ain't got time to sleep  
I be so busy gettin quickies ain't got time to lay  
I be too serious being busy ain't got time to play  
Be so busy on the grind still find time to shine  
Be so busy flippin twenty's I ain't got time for dimes  
(No)

Not in this lifetime

No way possible

I'm too busy breaking down peas lifting boxes and stuff  
Running from the cops and stuff  
With them pots and stuff  
You know just said that shit gettin gwaup and stuff

Man I be busy in the trap

I be busy movin packs

I be busy handling business I ain't got time for all of  
that

I be busy gettin stacks

I be busy gettin change

\*\*\*

Ain't time to be playing games

Man I busy than a muthafucka

I be busy on the block

Doing shows getting gwaup

Man you know how shawty rock

Man I be busy than a mutha

Man I be busy doin my thang

Ain't nothing changed but my change

You know how we do it man

[Verse 2:]

I got insomnia  
I can't sleep man  
I'm getting money  
I'm a busy man  
Down in Florida  
Handling business man  
I'm like Snow White  
You met me down in Disneyland  
Fernando down in Orlando  
? Que pasa chico? Gimme whateva I can handle  
I be busy all times just weighin them in  
One ton that's two mil my friend  
I counted 1.9 weigh it again  
Man I be busy than a mutha say it again  
Ay where you at  
I'm everywhere  
From city to city  
I'm getting money ducking snitches  
I'm so busy
