Reinvent myself every time I come out
Reconciliation's I'm on, no nothing bout
Reconsider violate me, I'ma crush you
Hey cross the line, you know it gonna be repercussions
I bought a red system 9, I got her recon vision
War busting out my hood, time for recognition
Back to the drawing board, let me reconvene
Better re cook it, no return nigga once you cope it

Recount that captain, watch my hands soon as they
free up
We cop some more, we cope some more, we call the
reel up
Been get money all year, I had to recoupe
I stay a year ahead of you, I had to recoupe

That re, that re, that re
Yeah, we ride nigga
That re, that re, that re

Relead I got a little rest, I'm feeling recovered
I changed the guns in my rose, I got em recovered
Gotta keep a mean circle when you was front dealer
That meanâ€¦recruiting more killers
Did your recreation, with an honest went up
Going till they gone, watch them bitches recycle the
ones
Havier on redial, I talk to him hey, even whenever I call
him
Say rock on, what's the reading
I say my friend I've been loyal, I need my price reduced
I feel I could be more productive with a price reduction
I've cut my old bitch out but now I'm re engaged
I had to bust at some busters but now I'm re engaged

That re, that re, that re
Yeah, hear that
That re, that re, that re
We re engaged nigga, heavenly reinforced
That re, that re, that re
Reloaded, rejuvenated
That re, that re, that re
Yeah, oh really, really nigga, aha
That re, that re, that re
We up, right back in the raebok, lego
That re, that re, that re

Stand up, never lay down, I refuse
I smoked up all the gas earlier, but I refueled
Premium, prerequest, no regular
Real talk, don't even try me bitch, I'm telling ya
For I wait on anyone, I'ma go get it first
I spit my own, then I let the label reimburse
Run circles round these squares, relay
Go dj, keep my shit on replay
Plug to my circus how I stay relevant
I stay sucker free, I roll with my relatives
Point me where that money at, I chop as I retrieve it
Stop blowing up my phone, you ain't not receiving

That re, that re, that re
Hey man you ain't gotta be all on my line like that
home,
That re, that re, that re
You know what I mean? Real shit, you know
That re, that re, that re
I told y'all I'm gonna respect y'all when everything you
know ready
That re, that re, that re
You know what I mean, That re, that re, that re
Yeah, wordplayâ€¦how I play nigga,
That re, that re, that re.
