She can get it
She can get it
She can get it

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it
(Right now)

Who is this girl? Where she from?
Oh no, but I dig her campaign, she got my vote
I ain't tryna stare but I don't care
Let's play magic, baby, let's disappear

Let's get out of here get in my car
Roll up a gar
(Then what)
Let's go to my spot
(Go to my spot)

It ain't that far
(It ain't that far)
I'm a keep it real
(Keep it real)

This ain't my style
(This ain't my style)
But all I see is me and you
Right here, right now

Shawty look good
Even when da lights on got me staring

Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it
(Right now)

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it
(Right now)

The way you looking right now, girl, you know you right
Only thing on my mind is you on my motor bike
What you say you sing, show you right
Microphone, check the night, could be yo lucky night

I can't help but stare, yo swag outta here
Only thing in mind is getting you out yo final wear
Just gimme the word, baby, we ain't worrying how
I ain't tryna wait, we can do it right now

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it

(Right now)

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it
(Right now)

I'm a make it rain, I'm a make it sleet
And watch you rain dance, grind and shake it to the
beat
I'm a team playa so bring yo home girl
Ya'll just let it go get off in yo own world

I just kick back and let you do yo thang
While I pull yo hair and make you say my name
She told me stop playing, she say, boy, you wild
I said, I'm dead serious, you can get it right now

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it
(Right now)

She can get it
(Right now)
She can get it
(Right now)

Shawty look good
Even when da lights on got me staring
Got me thinking 'bout bringing yo ass back home
Girl, I'm not playing

Oh, she can get it
(Right now)
She can get it

(Right now)

She can get it

(Right now)

She can get it

(Right now)
