Tony fuck with Stan but see Stan, he the man
Dat boy Stan got guap, he a fool with the yam
But see Stan fuck with Tony
He don't know that Tony phony
And that Tony just got jammed

Last week with some money
And about ten of them bunnies
Listen what they told Tony
(What?)

He a free man
'Cause what they really want is Stan
Whole time this nigga Stan
Thinking Tony is his man
Thinking Tony work with him
But Tony working with the man

Thinking Tony got a plan
Told Stan about this man
Told him that his sister husband tryna cop around ten
Stan said let's make it happen
But what Stan don't understand

It's today the last day
He'll see the light again
But Tone don't give a damn
Anything to save him

Even if that mean he got to send his nigga to the can
Take heed of what I'm saying before it's too late
Just beware of phony niggas that be smiling in your
face

Kim and Janet best friends
And they been that way for years
Janet single but see Kim got a nigga and two kids
Janet babysit her kids

Janet loves them like they're hers
Janet needs a place to live
So Kim let her come live with them

Kim knows her just like her fam
But what Kim don't understand
Is that Janet's not her kin

Janet's not even her friend
Janet's tryna seek revenge
Janet's got a plan
Janet's still holding a grudge from back
When her and Kim were ten

She devised a perfect plan
Janet's gon' sleep with her man
She lays naked in the kitchen wait for him to come in
He walks in the door like damn

You know a man gon be a man
In the mist of all of that he must forgot about Kim
Kim bust's in on them
Janet stands there with her grin

Kim fussin', cussin', hollerin', screamin'
Going straight nuts on them
Kim crying out like damn
Jan I thought you were my friend

Janet said, "You remember
You took my boyfriend back when we were ten"
Damn

Mike a real cool nigga but he just not getting money
(How?)
Drought came around
He fixed up niggas for some dummies

Now he ballin' like a dog
Every night he in the club
Throwing money, popping bottles, flexing hard
He don't give a fuck

Then one night he met this girl
Finest girl he ever saw
He say I never seen before
She say I'm here from Arkansas

They kicked it off a couple months
She fucked and sucked him like a pro
He say I love your dirty tricks, baby, I never let you go
Year later they're still together

Now he feeling like he love her
So he let her in his business

'Cause he felt like he could trust her
She sitting in the kitchen while he busting down dem
bricks

She thumbing through the check
He swear he got a gangster bitch
What he don't know 'bout this bitch
Is everything she say a lie
Man this bitch ain't who she say she is
This bitch is FBI

Man this game a dirty game
Man be well for the tricks
Before you end up just like Mike
Be sent to jail by a bitch
