You don't even know it

Bitches all crazy
Flash it only
You know what Iâ€™m sayinâ€™?

Hook:

If donâ€™t know you got the name, You don't even know it.
If donâ€™t know you got the name, You don't even know it.
This hell don't mean no court, You don't even know it.
I came up from bottom, You don't even know it.
My niggas all right wip me on, You don't even know it.
Got killers with me right now, You don't even know it.
This million dollar watch nigga, You don't even know it.
Got a million dollar crib nigga, You don't even know it.

Hey that muscle truck, seat all as f*ck,
Itâ€™s so big canâ€™t even taught it,
Donâ€™t like the... keep my great cut, so low kane need more it,
Sip done period, little high glow, donâ€™t know we donâ€™t do more it,
They PJ, no Rose from me hoes donâ€™t need port
Spend song tongue for it, wouldnâ€™t down Michael course
Always song like refrigerator, unplugged in all you know it,
AP and that PK, what a bright lean when Iâ€™m bored,
Got a master piece and afford to one, mill a mill... you ainâ€™t know it,
Keep the 45 my pocket ainâ€™t gone short, till I have to pop it in,
You gonna know it, them... they donâ€™t need no it,
Heart game f*ckin for it, see VC f*ck roll it,
Rock for the dawn see do it, ainâ€™t gotta rap and you know it.

[Hook:]

That nigga show you that re-rock, you don't even know it
I die over these rebox, you don't even know it
Put molly all in the champagne, you don't even know it
I took her home and I enjoy that, she aint even know it
Got a hundred lay Â'cause I lead at phone you aint even know it,
Got a hundred round in this A yÂ'all, you don't even know it
Got a back of bitches IÂ'm playin with, donÂ't cry now in my space ship
Â'cause I don't doubt of this state fresh, from zone 1 through zone 6,
Bricks all in my blood, birds all in my dreams,
Folks all in my yard, limit path in my wings,
IÂ'm bout to get you f*ck niggas wet, you aint even know,
Your name niggas bout to turn this bad, you aint even know it.

[Hook:]

We turn up every day we donÂ't even know it,
Got your bitch with me right now, you donÂ't even know it,
We turn up in the club, you donÂ't even know it,
Got hundred bottles community... you donÂ't even know it,
We came up from neck, you donÂ't even know it.
Tryin to have a million dollar car, you donÂ't even know it,
These not your best shoes, you donÂ't even know it,
Got bitch speak no... , you donÂ't even know it,
No call... best shoes, you donÂ't even know it,

My niggas all around with me, you donÂ't even know it,
Got killers with me right now, you donÂ't even know it,
This million dollar watch nigga, you donÂ't even know it.
Got a million dollar crib nigga, You don't even know it
