Today I got myself back  
I've been looking so long  
Another lonely track  
Got me closer to home  
In memory of the day  
We stopped trying to hide  
I came today just to say  
You took the thorn from my side

I know it's not easy to be with me  
But you never stop crossing my mind  
Let's just say you've got one hell of a hold on me  
The only price to pay  
Do you know you've done one heck of a thing  
To free my mind from yesterday  
Let's just say

Sometime we'll read to the end  
When all the colour has dried  
You've been more than a friend  
Now's the time for goodbye  
Would you come to see me  
Just let me know you're there

I know it's not easy to be with me  
But you never stop crossing my mind  
Let's just say you've got one hell of a hold on me  
The only price to pay  
Do you know you've done one heck of a thing  
To free my mind from yesterday  
lets just say

Let's just say you've got one hell of a hold on me  
The only price to pay  
Did you know youve done one heck of a thing  
To free my mind from yesterday  
Let's just say

Today I got myself back  
I've been looking so long  
Another lonely track

Got me closer to home
