Chorus:

When the Moon stops to shine,  
And the clock stops the time  
Keep your hand close to mind Girl  
I'll be right there  
Until tomorrow,  
Love is the way girl  
That I choose to follow  
Because I know you're worth it  
Baby you're worth it  
So let's end this day Girl  
Until Tomorrow  
Until Tomorrow

Verse 1:

Watch the throne every second try to capture this  
moment  
Every city every country, this the life that we wanted  
Use to have to lease the building, now we don't  
because we own it  
Got blood sweat and tears and it's hurting you don't  
it  
Got a son I aint seen in months  
But I never give up  
So if you want to wear my shoes  
Then mother fuckers stand up  
Try to imagine all this pain  
T aint shit that you gain  
But another airplane  
With you searching for fame  
Have you ever had to leave?  
And do it on your own  
Was writing songs,  
While you'll was getting your lean on  
Was rocking Mic's while you'll was Rocking your Ice  
I'm sorry that I left,  
But I had to make it right

Chorus:

When the Moon stops to shine,  
And the clock stops the time  
Keep your hand close to mind Girl  
I'll be right there

Until tomorrow,  
Love is the way girl  
That I choose to follow  
Because I know you're worth it  
Baby you're worth it  
So let's end this day Girl  
Until Tomorrow  
Until Tomorrow

Verse 2:

I don't know where I'm going  
But I know what I'm doing  
If I got to leave tomorrow  
Then I'm going to pursue it  
Tell my son that I'm sorry  
But I just got to do it  
Kiss my girl and my family  
I got to keep moving  
Heading back on this road  
Put my heart in these songs  
It aint nothing that can break me  
Cause I'm holding my own  
And sometimes it gets cold  
When you sleeping alone  
But I promise when I make it  
I'm going to buy you that home  
Cause you holding me down  
When I wasn't around  
When those suckers got to talking  
You weren't making a sound  
And I know that you got me  
So you know that I got you  
It aint nothing that can break us  
I aint trying be cocky

Chorus:

When the Moon stops to shine, And the clock stops the  
time  
Keep your hand close to mind Girl  
I'll be right there  
Until tomorrow,  
Love is the way girl  
That I choose to follow  
Because I know you're worth it  
Baby you're worth it  
So let's end this day Girl  
Until Tomorrow  
Until Tomorrow

Bridge

I just want to live big like a rock star  
Cause them haters use to say  
I wouldn't make it far  
Paparazzi's snapping Cameras

Everywhere you are  
Hit the scene, fresh so clean  
On the boulevard.  
When the Moon stops to shine,  
And the clock stops the time  
Keep your hand close to mind Girl  
I'll be right there  
Until tomorrow,  
Love is the way girl  
That I choose to follow  
Because I know you're worth it  
Baby you're worth it  
So let's end this day Girl  
Until Tomorrow  
Until Tomorrow
