Wake up late on Sunday morning  
Knowing this day's gonna be real boring  
I can't get myself out of bed  
The weekend drama still in my head

Checking out ourselves looking in car windows  
Reflections show we look alright I suppose  
Showed our I'd and they let us in  
Stamp on my hand and I'm partying

Sundays always feel the same  
Only got ourselves to blame  
For the sickness  
The pains  
And the pounding in our brains

But we still go out on the weekend  
Knowing that on Sunday  
We'll be hungover again  
But we still go out on the weekend  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care

It's two for one on all the drinks tonight  
Spend Â£5 and a shot is free  
Hot girls walking in the club  
The plan is to take one home with me

The plan is to take one home with me  
The plan is to take one home with me  
The plan is to take one

The plan is to take one  
The plan is to take one home with me

Sundays always feel the same  
Only got ourselves to blame  
For the sickness  
The pains  
And the pounding in our brains

But we still go out on the weekend  
Knowing that on Sunday  
We'll be hungover again  
But we still go out on the weekend  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care

Sundays always feel the same  
Only got ourselves to blame  
For the sickness  
The pains  
And the pounding in our brains

But we still go out on the weekend  
Knowing that on Sunday  
We'll be hungover again  
But we still go out on the weekend  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care

Singing yeah yeah yeah!  
Yeah yeah yeah...  
Hands up in the air  
Coz we don't really care
