"Stay"

My whole life waiting for the right time
To tell you how I feel
I know I try to tell you that I need you
Here I am without you.
I feel so lost but what can I do?
'Cause I know this love seems real
But I don't know how to feel

We say goodbye in the pouring rain
And I break down as you walk away
Stay... Stay
'Cause all my life I felt this way
But I could never find the words to say
Stay... Stay

Alright, everything is alright
Since you came along
And before you
I had nowhere to run to
Nothing to hold on to
I came so close to giving it up
And I wonder if you know
How it feels to let you go?

You say goodbye in the pouring rain
And I break down as you walk away
Stay... Stay
'Cause all my life I felt this way
But I could never find the words to say
Stay... Stay

So you change your mind
And say you're mine
Don't leave tonight
Stay...

Say goodbye in the pouring rain
And I break down as you walk away.
Stay... Stay
'Cause all my life I felt this way
But I could never find the words to say

Stay... Stay

Stay with me, stay with me,
Stay with me, stay
Stay, with me.
