#### VERSE 1

A day of failure has begun  
In a way that cannot be stopped  
Passions of the very worst kind  
Stowed away so deep inside  
His self esteem is falling fast  
Conceling feelings of regret  
Searching for a swift way out  
why can't he kill this doubt

#### CHORUS

(and he was screaming)  
I am the one who chose my ways  
My path of life is like a maze  
I am the one who chose my ways  
My path of life is my domain

Its always twisting and burning inside of me

#### VERSE 2

Searching for love in darkend hearts  
Hoping for a better life  
Feeling death the only way out  
Of this eternal web of doubt  
Her life has come to a halt  
In the midst of calming screams  
Thinking all has come to an end  
Though the truth is still not found  
Will she make it through  
another day?

#### CHORUS

(and she was screaming)  
I am the one who chose my ways  
My path of life is like a maze  
I am the one who chose my ways  
My path of life is my domain

Its always twisting and burning inside of me

BRIDGE

CHORUS

(and they were screaming)  
I am the one who chose my ways  
My path of life is like a maze  
I am the one who chose my ways  
My path of life is my domain

Its always twisting and burning inside of me
