"Lovin' It"

Visit "[Lovin' It](#)" on MotoLyrics.com

The Sun is blazing, The air is Hot and Im celebrating on
what I got.

Cuz Im lovin it, Im lovin the way he loves me. I aint got
no dough

I just missed the show, I didnt get tickets, I dont sit
front row. But Im

Lovin it, Im lovin the way he loves me.

Baby boy Imma stu stu stu stu stunner.

Ill be your marathon you could be my runner.

Im lovin It, Im lovin the way he loves me.

So Put ur hands up if your feel me and u dont got no
dough

You dont have to be rich to feel whole, no
if you got somebody or if you do or if you solo

it doesnt matter as long as you're

Lovin it lovin it lovin it lovin it lovin it

Your jeans are faded my feet are bare

we got 5 between us and I dont care

Cuz Im lovin it, Im lovin the way you love me.

If the sun keeps shining that's all Ill ever need.

The way you're smilin' baby boy its gets to me

and Im Lovin it Im lovin the way he loves me.

Baby boy Imma stu stu stu stu stunner.

Ill be your marathon you could be my runner.

Im lovin It, Im lovin the way he loves me.

So Put ur hands up if your feel me and u dont got no
dough

You dont have to be rich to feel whole, no
if you got somebody or if you do or if you solo

it doesnt matter as long as you're

Lovin it lovin it lovin it lovin it lovin it

The Sun is blazing, The air is Hot and Im celebrating on
what I got.

Cuz Im lovin it, Im lovin the way he loves me.

So break it down break it down
If you with me make the sound

Who who who caress
Who who I dont care
Who who we dont --
Who who cuz were lovin it

Baby boy Imma stu stu stu stu stunner.
Ill be your marathon you could be my runner.
Im lovin It, Im lovin the way he loves me.

So Put ur hands up if your feel me and u dont got no
dough
You dont have to be rich to feel whole, no
if you got somebody or if you do or if you solo
it doesnt matter as long as you're
Lovin it lovin it lovin it lovin it lovin it

I told him keep your hundred grand. Cuz me and my
boyfriend. We have a good time making a nice livin,
and Im lovin it, Im lovin the way he loves me.
