Who you callin' money grubbin'
Who Who
Who you callin money grubbin'
Who who
Who you callin' money grubbin'
Who Who
Cause if I like you, then I like you

Seems a little cloudy for a Wednesday morning
But I'll shake it off and I'll take my board
And go ridin' down to Zuma til' I get my fill
If you don't get me now boy you never will

So, Who you callin' money grubbin'
Who Who
Who you callin money grubbin'
Who who
Who you callin' money grubbin'
Who Who
Cause if I like you, then I like you

Later in the shower I'll be washing the sand off
My body as I get ready to show my tan off
It's a million dollar feelin' but it don't cost a dime
There's no price you can set on a good time

So, Who you callin' money grubbin'
Who Who
Who you callin money grubbin'
Who who
Who you callin' money grubbin'
Who Who
Cause if I like you, then I like you

Moneys good, but friends are better
Its a natural habit whenever were together
Who you are is enough honey
Even if you have no money

I Do, and I want you to know
I want you to show me a good time

I Do, but I want you to know
It's not all about the shiny little things you buy

So, Who you callin' money grubbin'
Who Who
Who you callin money grubbin'
Who who
Who you callin' money grubbin'
Who Who
Cause if I like you, then I like you

It's not like I'm not into the finer things
But my happiness is not wrapped in the presents you
bring me
So if you don't get me now, you'll never get in
To this party I'm livin' in

I Do, and I want you to know
I want you to show me a good time
I Do, but I want you to know
It's not all about the shiny little things you buy

So, Who you callin' money grubbin'
Who Who
Who you callin money grubbin'
Who who
Who you callin' money grubbin'
Who Who
Cause if I like you, then I like you

Materialism is not a Religion
We're tiny little rain drops
Falling from the tree tops
We're tiny little rain drops
Falling from the tree tops
