I've seen a couple things in my life.
But aint nothin gunna beat the things I've seen in you.
And sometimes, I feel I wanna kill over and die
But you never fail to pull me right on through.

And not one lie has ever left your lips on mine
so I know
I can trust you with my life.

Now Its official we managed to make it through
We're unbreakable. We dont miss a beat now, we're
singing in perfect tune.
We're unbreakable. Im holding on tightly. Your holding
on to me too. Simply unbreakable
with nothing to prove, how can we loose
Cuz Im in love with you.

You done a lot of things in your time
But aint nothing gunna beat the things that
We're gunna do.

Not one lie has ever left your lips on mine
So I know I can trust you with my life.

Now Its official we managed to make it through
We're unbreakable.
We dont miss a beat now, we're singing in perfect tune.
We're unbreakable. I'm holding on tightly. Your holding
on to me too.
Simply unbreakable.
with nothing to prove, how can we loose
Cuz Im in love with you.

OOOOOO
OOOOOO
2gether were coming up
OOOOOO
With diamonds and diamonds of love
We're unbreakable
Were unbreakable

not one lie has ever left your lips on mine
so I know
I can trust you with my life.

Now Its official we managed to make it through
We're unbreakable. We dont miss a beat now, we're
singing in perfect tune.
We're unbreakable. Im holding on tightly. Your holding
on to me too.
Simply unbreakable
with nothing to prove, how can we loose
Cuz Im in love with you.
