I'm alone, although it's nice outside my door
I can't stop the rain
Inside my heart is pouring down, I can't stop the pain
And yes, I know I'm blessed, but it's just one thing!
If life requires love, I'm incomplete!

Chorus:

L O V E is so hard to
F I N D in my heart
I know you're right there, somewhere!
So I call the love operator!
Operator, operator
I need the love operator!
Operator, operator
I'm trying to reach the love
Operator, operator!
To help me find love
Operator, operator
Operator, operator
Ti help me find the one!

Allow me to provide clarity
I'm not searching for just anything
Substance and no...
It's so much more to me!

And your money, please...
Baby, I can buy whatever I need
Yes, I know I'm...
But it's just one thing, oh...

Chorus:

L O V E is so hard to
F I N D in my heart
I know you're right there, somewhere!
So I call the love operator!
Operator, operator
I need the love operator!
Operator, operator
I'm trying to reach the love
Operator, operator!

To help me find love
Operator, operator
Operator, operator
Ti help me find the one!

I like 'em tall,
... nice build brown skin
If you're listening,
I like 'em when they're getting paper
The... shake us
... for haters!
I like 'em when they see a bad chick
They keep their pants in, plus...
And I don't mind them looking,
I don't want them touching
But it's just so hard to buy!

Chorus:
L O V E is so hard to
F I N D in my heart
I know you're right there, somewhere!
So I call the love operator!
Operator, operator
I need the love operator!
Operator, operator
I'm trying to reach the love
Operator, operator!
To help me find love
Operator, operator
Operator, operator
Ti help me find the one!
L O V E is so hard to
F I N D in my heart
I know you're right there, somewhere!
So I call the love operator!
