[Verse]

All I want to say
Is you're the satellite
In my life.
You don't have to lie
You don't have to cry anymore
Lost inside your eyes
The Vision never dies
Oh just take my hand
Flow will never end
Then I hear you say lets live for the moment this time
Why don't you just make up your mind

[Chorus]

You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin
Why? Why?

[Verse]

You love to build me up
Just to tear me down
Wouldn't it be nice
If we found paradise someday

Then I hear you say
Let's live for the moment this time
Why don't you just make up your mind?

You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin
Why? Why?

Did I hear you say
You want to be alone?
Was this a mistake?
How would we have know?

Well I can hear you scream at me
Scream at me!

I'm not perfect
I'm not perfect!
No one is
I'm not perfect
I'm not perfect

[Chorus]
You make my head spin
You make my head spin
Why? Why do you?
You make my head spin
You make my head spin

[Bridge]

Did I ever mean something
Did I ever mean something
....to you?
