Vocal Arrangement: Sean Altman

Saturday night I was downtown, workin' for the FBI

Sittin' in a nest of bad men,

Whiskey bottles pilin' high.

A bootleggin' boozier on the west side,

Full o' people who were doin' wrong

A just about to call the DA-man,

When I heard this woman singin' a song...

A pair o' 45's made me open my eyes,

My temperature started to rise

* She was a long cool woman in a black dress,

Just a 5 - 9 beautiful tall

With just one look I was a bad mess,

Cause that long cool woman had it all.

S-A-T-U-R-D-A-Y night ay yeah

I saw her head up to the table

Just a tall walkin' big black cat

A'Charlie said, "I hope that you're able boy."

Cause I'm tellin' you she knows where it's at.

Well suddenly we heard the sirens,

And everybody started to run.

Jumpin' outta doors and tables,

Well I heard someone shootin' a gun.

Well the DA was pumpin' my left hand,

And she was a-holdin' my right.

I said don't be scared, y'gonna be spared,

Well I gotta be forgivin'

If I wanna spend my livin' with

* Repeat

Missy was fine, she blew my mind,

I think about that woman all the time,

She was a long cool woman in a black dress...
