Slowly I lift up the blinds  
Another day away  
Further from watching your lines  
Say what they wanted to say again

So there the chance pass us by  
'Cause I can't seem to open your eyes  
If you could see how this hurts  
To feel only words

Dangerous, wonderful, I'm so invisible  
Can you build me just to break me at last  
Caged like an animal, this is so predictable  
Are you falling 'cause I'm falling so bad

Slowly you crept up behind  
I wanted you to stay  
Hiding the sex in your mind  
Staring while they look away, look away

So there the chance pass us by  
'Cause I can't seem to open your eyes  
If you could see how this hurts  
To feel only words, yeah

Dangerous, wonderful, I'm so invisible  
Can you build me just to break me at last  
Caged like an animal, this is so predictable  
Are you falling 'cause I'm falling so bad

Talk to me

So there the chance pass us by  
'Cause I can't seem to open your eyes  
If you could see how this hurts  
To feel only words

Dangerous, wonderful, I'm so invisible  
Can you build me just to break me at last  
Caged like an animal, this is so predictable  
Are you falling 'cause I'm falling so bad

Dangerous, wonderful, I'm so invisible  
Can you build me just to break me at last  
Caged like an animal, this is so predictable  
Are you falling 'cause I'm falling so bad
