

AVA "I Love You"

Visit "[I Love You](#)" on MotoLyrics.com

you never gonna change the way
the way that i love you
you'll never gonna say "please stay!"
'cause i'll be close to you
you never gonna understand
the way that i want you
but i show you everything

when you gone
i miss you
i feel alone
without you

you're the one i want i need you (Ñ...4)

you never gonna change the way
the way that i love you
you'll never gonna say "please stay!"
'cause i'll be close to you
you never gonna understand
the way that i want you
but i show you everything

when you gone
i miss you
i feel alone
without you

you're the one i want i need you (Ñ...4)
