Yesterday, today, tomorrow  
Fade away like frozen photographs.  
Remember, forget  
The stakes, the ways you take,  
The ways you make the moments pass.  
For every regret,  
I tell a beautiful lie.  
And I would die if you find out.  
I tell a beautiful lie every time that I  
Did not open up my mouth.  
All the same, it's a game,  
It's a play, it's a war,  
It's a shame that we're always fighting for.  
I don't mean to cast no blame,  
I don't intend to pretend that  
I could never loved you more.  
But in the blink of an eye,  
Everything you ever knew can change  
And it's a beautiful lie if you think  
Everything will always stay the same.

Babe. My babe.  
You got a secret - it's starting to show.  
My babe. Sweet babe.  
How long can you keep it?  
How far would you go?  
You tell a beautiful lie.  
You tell a beautiful lie.  
And it's going to, it's going to drive you crazy.

Babe. My babe.  
How far would you go, go, go to tell a beautiful...  
Yesterday, today, tomorrow  
Fade away like frozen photographs  
Remember, forget

Forever.

Babe. My babe.

It's starting to show.

My babe. Sweet babe.

How far would you go, go, go to tell a beautiful...

How far would you go, go, go to tell a beautiful...

Yesterday, today, tomorrow

Fade away like frozen photographs

Remember, forget

Forever.

Yesterday, today, tomorrow

Fade away like frozen photographs

Remember, forget

Forever.

Lie. Lie.

Beautiful lie
