The real me is bittersweet but crazy
The real me is insecure but fun
I get nervous and I hate injustice
Superficial people get you gone
And oh!
What you wanna do now?
What you wanna do now?
Open wide I'm falling
Baby, hold on!

All my life the real me was here
Just waiting for connection, connection
Now, this spark put power through my veins
And I am
Ready just to be
The one, the only real me

The girl you see might have infectious laughter
But underneath the clown has shed some tears
I won't be told but I'll try to listen
Don't label me by all the clothes I wear
And oh!
Who you wanna be now?
What you thinking about?
Open wide I'm coming
Baby, hold on!

All my life the real me was here
Just waiting for connection, connection
Now, this spark put power through my veins
And I am
Ready just to be
The one, and the only real me

Real me
I just wanna to be aoo
Real me
I just wanna to be aoo
Ready just to be
The one, the only real me

The real me is bittersweet but crazy
The real me is insecure but fun
I get nervous and I hate injustice
Superficial people get you gone

All my life the real me was here
Just waiting for connection, connection
Now, this spark put power through my veins
And I am
Ready just to be
The one, and the only real me

Real me
I just wanna to be aoo
Yeah, yeah..
Real me
I just wanna to be aoo
Ready just to be
The one, and the only real me
