To feel the breath upon my ear
wanting you
to just be near
(to feel your breath upon my ear)
wishing you of call my name
'Cause only you can light the flame

Constantly searching - still can't find
Ever illusive - peace of mind
Sometimes it's near - but slips away
And I'm faced with another day

Oh
Wanting you
(To feel your breath upon my ear)
Wanting you
(To just be near)
('Cause only you can light the flame)
Wishing you
(To feel the breath upon My ear)
Would call my name
('Cause only you can light the flame)
To feel the breath upon my ear
Wanting you
(To feel the breath upon my ear)
Wishing you
(To just be near)
('Cause only you can light the flame)
Wishing you
(To feel your breath upon my ear)
'Cause only you can light the flame
Wishing you
'Cause only you can light the flame

Desperately wanting - just to sleep

But there's no rest when - my soul you keep
And I cry out - oh Lord I pray
Don't make me face another day
