If you say no  
Say you go  
And I will do so  
Anytime you leave

Any wiser  
I couldnt take it  
I will uhuh hu  
I will die from greed

Anytime you leave  
Ah ah ah ah  
Anytime you leave  
Ah ah ah ah

If you say I  
And  
You do try  
To forget you  
I will treat you mean

Practise voodoo on you  
And your latest lady  
Thats what youll receive  
Anytime you leave

Ah ah ah ah  
Anytime you leave  
Ah ah ah ah  
Anytime you leave  
Ah ah ah ah

I wil set your house on fire  
Drown your clothes  
And crush your cds

I wont leave you  
(rest) in peace  
cause I believe thats  
What you really need

Anytime you leave  
Ah ah ah ah  
Anytime you leave  
Ah ah ah ah  
Anytime you leave  
Ah ah ah ah

Hey, I warn you  
I wont be ashamed to ask you aching  
Why you have to leave  
Anytime you leave  
Why you make me bleed  
Anytime you leave  
You should leave for good  
Why youre coming back  
Stay away from me  
If you ever leave  
You should leave for good  
Will you leave me be  
Anytime you leave
