Nothing counts  
Anymore  
Have no doubts  
Shut the door  
Climb this mountain  
Take me dear  
Please come over  
Do come near

Helium sunset  
Seriously wrong bet  
Oh...

Nightly highway  
Almost dark  
Flashing streetlights  
Angels bark  
Drive too fast  
Get me frightened  
This wont last  
Morning brightens

Helium sunset  
Seriously wrong bet

You see,  
Sometimes...

120 miles an hour  
Youll get plenty of  
Sweetly sour  
Play some music  
Singin together  
Kiss the crash-barriers  
Together for  
Ever
