I've never done anything strange  
I'm just alive  
I never got nowhere great  
By surprise  
All I do is silly things  
With my life  
I'm sorry already but  
I think I'll survive  
I have to walk  
Though I'm gonna fall down again  
The same as always  
But I stay tough  
Hope I'm gonna rise and remain  
To swim trough the rain

Once again (x2)

It's nice to see the girls swirl  
Like flies around you  
You say you don't notice, but  
Well, I'm sure you do  
And it's funny to see your father  
Grow physically through you  
You say you want action but  
You've got too much to lose  
If you don't choose to  
Walk...  
How are you gonna fall down again  
And learn something, oh  
Life's insane  
Hope you're gonna rise and remain  
To swim through the rain

Once again (x2)

My mummy said  
You get your head  
Sorted out  
It's for the best  
My mummy said  
Girl get your head

sorted out  
It's for the best  
My mummy said  
Girl get your head  
Sort yourself out  
Before it's too late and there's no one around

Once again (x2)
