I havent got the brains  
To say wise things  
To tell true things  
When you laugh

I havent got the strength  
To tell you straight things  
Cause they are different  
For everyone

Message blows at the sun

Grace  
Ive got a pretty face  
Which automatically implies Im dumb  
Wise Japanese Master says  
No time for Roo Di Ments  
Hes in my head  
And I just cant get him out

All is said  
And done

Sister is calling  
In my head where she sleeps  
Longing for desire  
Shes afraid  
Its never to keep  
Sister is moving me

I havent got the guts  
To preach you blue things  
To talk about true things  
I dont know  
Cause Im a chicken in the worst  
Sense of the word  
About these harsh things  
Wanna be a friend to everyone

Message blows at the sun

I havent got the sense'  
To say sound things  
Nor profound things  
Im not strong  
Cause I am far too afraid to  
Be taken wrongly  
Though I really say  
Nothing at all

All is said  
Im done
