I came home knocked out after work

That's when my telephone goes berserk.  
How can I unwind or get some rest  
Receiving sick phone calls from a lonely pest.  
Find someone else to bother  
Mister or Miss Obscene Phone Caller.  
Why do you get off breathing on that phone

Obscene Phone Caller leave me alone.  
Why did you have to pick me out of all the people in the  
directory

I don't know what's going thru' your mind  
But these nackoff phone calls are a waste of time.  
I must have my number changed  
Or trace these calls from whence they came

If Alexander Bell were alive today  
Would he want the telephone to be used this way?  
Find someone else to bother  
Mister or Miss Obscene phone Caller. . .  
Obscene phone Caller  
find someone else to bother.  
Obscene phone Caller  
you dirty little nasty twit
