who's watching?
tell me who's watching?
who's watching me?

I'm just an average man
With an average life
I work from 9 to 5
Hey hell I pay the price
All I want is to be left alone
In my average home
But why do I always feel
like i'm in the twilight zone and

I always feel like
somebody's watching me
and i have no privacy
oh oh oh
I always feel like
somebody's watching me
Tell me is it just a dream

When I go home at night
I bolt the door real tight
People call me on the phone
I'm trying to avoid
And can the people on t.v. see me
or am i just paranoid

when i'm in the shower
i'm afraid to wash my hair
'cause i might open my eyes
and find someone standing there
people say i'm crazy
just a little touched
or maybe showers remind me
of psycho too much
thats why

I always feel like
somebody's watching me
and i have no privacy

oh oh oh
I always feel like
somebody's watching me
who's playing tricks on me

who's watching me?
i don't know anymore
are the neighbors watching me?
Well is the mailman watching me?
and i don't feel safe anymore
its such a mess
i wonder who's watching me now?
who?
the IRS?

I always feel like
somebody's watching me
and i have no privacy
oh oh oh
I always feel like
somebody's watching me
Tell me is it just a dream

I always feel like
somebody's watching me
and i have no privacy
oh oh oh
I always feel like
somebody's watching me
who's playing tricks on me

who's watching
oh oh oh
who's watching

I always feel like
somebody's watching me
I always feel like
somebody's watching me
I always feel like
somebody's watching me
I always feel like
somebody's watching me
I always feel like
somebody's watching me
and i have no privacy
oh oh oh
I always feel like
somebody's watching me
i can't enjoy my tea

I always feel like
somebody's watching me
can i have my privacy?

I always feel like
somebody's watching me
who's watching me
I always feel like
somebody's watching me
he he
oh oh oh

I always feel like
somebody's watching me
stop playing tricks on me
I always feel like
somebody's watching me
