Notes: michael jackson is in the choir!

I'm just an average man with an average life
I work from nine to five, hey, hell, I pay the price
All I want is to be left alone in my average home
But why do I always feel like I'm in the twilight zone

I always feel like somebody's watching me
And I have no privacy
I always feel like somebody's watching me
Tell me is it just a dream

When I come home at night
I bolt the door real tight
People call me on the phone, I'm trying to avoid
But can the people on tv see me or am I just paranoid

When I'm in the shower I'm afraid to wash my hair
Cause I might open my eyes and find someone
standing there
People say I'm crazy, just a little touched
But maybe showers remind me of psycho too much
That's why...

I always feel like somebody's watching me
And I have no privacy
I always feel like somebody's watching me
Who's playin' tricks on me

(Instrumental)

I don't know anymore
Are the neighbors watching me
Well is the mailman watching me
And I don't feel safe anymore, oh what a mess
I wonder who's watching me now (booo!) - the irs?

I always feel like somebody's watching me
And I have no privacy
I always feel like somebody's watching me
Tell me is it just a dream

I always feel like somebody's watching me
And I have no privacy
I always feel like somebody's watching me
Who's playin' tricks on me

I always feel like somebody's watching me
I always feel like somebody's watching me
Tell me this can't be

I always feel like somebody's watching me
I always feel like somebody's watching me
I always feel like somebody's watching me

(Fades away)
