You break my balls  
Seekin' the truth wantin' to know  
Sit down n' don't ask me any question by now  
Just let me take you to a trip inside my brain  
Please fasten seatbelt you'll know  
The story to the end  
Twist of fate (so unfair)  
Chorus:  
Please come on in, pay no attention to the stains  
Please let me show you through my brain,  
It's a kind of Disneyland  
Please take a look to my complete set of remains  
Please watch your step, don't trip against  
The creepy memories and blanks  
It's funny place, do you enjoy the trip my friend?  
Hang on: star attraction of the walk  
Just let me take you to a trip inside my brain  
Please fasten seatbelt you'll  
Know the story to the end  
Twist of fate (so unfair)  
Chorus  
Here we are: the far end  
If you feel like it my friend, open the door  
Open the door my friend  
(Come on sweetie, stay on my knee  
... isn't that funny? -sniggering-)  
Chorus  
Did you enjoy the trip my friend?  
(So unfair)  
You know the story to the end  
(So unfair)
