Hey
I had a bad day
And I can't help myself
If I feel alone and gray
But you
You're always there for me
You take off the stress from me
Everyday

Someday
You'll see the best of me
But right now the rest of me
Is fading away
And you
You're always there for me
You take off the stress from me
Everyday

How is it going?
I hope you're feeling fine
Cause you know how I care for you
And if you're crying darling
I'll send a kiss to you
Even though
It's miles over due

Yeah and you
You're always there for me
You take off the stress from me
Everyday
