I look in the mirror
I don't know
If it will be a good show
The audience isn't a crowd
Till the lights have shut down
Here I go

And for you I am singing
This song
I'm hoping that these words
Help you along
And yes life will be hard
And sometimes you will fall
You'll never learn unless you lose it all
You'll get over

So incessantly you find
The troubles that endure your mind
Defeating drama is a test
Survival of the best
No regrets

And for you I am singing
This song
I'm hoping that these words
Help you along
And yes life will be hard
And sometimes you will fall
You'll never learn unless you lose it all
You'll get over

You can fool me once
To know me down
And for that drown
I'll be renound

And for you I am singing
This song
I'm hoping that these words
Help you along
And yes life will be hard

And sometimes you will fall
You'll never learn unless you lose it all
You'll get over
