There's no other love
No where in the world
Greater than My love for you
You belong to Me
I adore You
So don't hesitate to call me

I know (I know sometimes you feel)
Alone (You're not alone cause I'm)
Always (I'm always by your side)
Oh, I see everyday

CHORUS:

I see you everyday
Sending My love your way
Watching your every move
Covering you with grace
All that I ask of you
Talk to Me everyday
The bond is stronger
Then you know that
I'll be right there

Look up to the stars
You see, knowing Me
Infinity is waiting for you
I'll hold to My promise
Just keep Me in your heart
You'll feel safe in knowing I'm there

I know (I know sometimes you feel)
Alone (You're not alone cause I'm)
Always (I'm always by your side)
Oh, I see everyday

CHORUS

BRIDGE:

You're so precious to Me
Everyday I'll you so close to Me
But I need you to have

Have in Me and you can move mountains
Through My love for you

CHORUS

I see you everyday
Sending My love your way
(I'll be right there)
I see you everyday
Sending My love your way
(I'll be right there)
I see you everyday
Sending My love your way
(I'll be right there)

CHORUS
