I keep hearing this melody in my ear
I keep feeling this presence so near
Music so sweet so rich and complete
Like the voice of an angel
It ministers to me
Could it be a dream or is it a reality
Sounds just like a symphony
Music so sweet so rich and complete
Like the voice of an angel
It ministers to me

Chorus:
A love song Beautiful song
Love song
Beautiful song
Love song
Sweet simple song
(Repeat)

Turnaround:
The day he opened my eyes
And He changed my heart
Jesus is a love song to me

Vamp:
Jesus is a love song - love song
