Boy number one
Is amazing but
He never bothered to call
Boy number one
Had my heart but
He tore it right apart

What's it about him
That I'm into
Am I for real?
Yeah

I'll never give up
Cause it's love love love
That I'm looking for
I won't put up a front cause it's
Love love love love that I adore
Doesn't matter which boy
As long as there's love

Boy number two
Make me tingle like
I've never tingled before
Don't matter if he 's not single
It's official
I wonder if he's got a clue

That everything bout him
Makes me go crazy
But is he for real?

I'll never give up
Cause it's love love love
That I'm looking for
I won't put up a front cause it's
Love love love love that I adore
Doesn't matter which boy
As long as there's love

Everything bout him
Makes me go crazy

But is he for real?

I'll never give up
Cause it's love love love
I won't put up a front
Cause it's love love love
I'll never give up
Cause it's love love love

I'll never give up
Cause it's love love love
That I'm looking for
I won't put up a front cause it's
Love love love love that I adore
Doesn't matter which boy
As long as there's love
