I will never, forget this man named Jesus, he died for you and me on Calvary, he paid the price and now I'm free for life, in which we called a sacrifice, after this story, he sent more blessings, there were miracles that people never had, there was love beyond compare, that's how he showed he cared. He proved with his eyes, he cried for me, he proved it with his knees, he prayed for me, so I present my body a living sacrifice, so I give you my heart and I give you my mind, I owe you me, thank you for setting me free.

I shall never forget this man named Jesus, he gave hie life for me on Calvary, he paid the price and made a sacrifice, that's why I owe him me, so I take this time to show appreciation to our Lord for saving me a wretch undone, so I offer up this sacrificial praise oh because the lost, he thought enough to save, he proved with his eyes, he cried, he proved with his knees, he prayed for me, so I present my body a living sacrifice.
