Something about that Holy Ghost it'll make you wanna  
shout

(Shout that burden out)

Something about that Holy Ghost it'll make you  
wanna move

(Move for you breakthrough)

It leads and guides me it walks beside me

It holds me too -- if you know what I mean say ooh

Chorus

Ooh ooh so good

Ooh ooh so good

Hallelujah ooh so good

Ooh ooh so good

Something about that Holy Ghost it'll make you pray  
and pray all day

(Pray my fears away)

God something about that Holy Ghost it makes me  
wanna talk to you

(Talk for a closer walk)

It soothes my pain it dries my rain

Protects me too -- If you know what I mean say ooh

Chorus

Something about that Holy Ghost it'll make you wanna  
sing

(Lift up your voice and let it ring)

Something about that Holy Ghost it'll make you do the  
right thing

(Say hooray to the enemy)

It leads and guides me it walks beside me

It holds me too -- if you know what I mean say ooh

Chorus

When the mountains are in front of you

(Remember that God will take good care of you)  
When the world said you wouldn't make it make it make  
it through  
(Remember the day when He delivered you)

He's given me security and a fresh anointing  
Nobody but you

Chorus x2

It soothes my pain it dries my rain  
Protects me too

You've been my mother, my father, my sister and my  
brother  
My friend until the end, my doctor and my lawyer  
My emotion, my devotion, dedication, motivation  
My strength, my power, my mind you're so kind  
Provider, co-signer, my breakthrough and my faith too  
My up, my down, my shield and my crown

This Holy Ghost I have the world

Can't take it (repeat)
