CHORUS: Sometimes heaven seems so far away  
With all that you're going through everyday  
From being tempted to resented and you need  
direction  
Sometimes heaven seems so far away  
With all of the money spent that you make  
But the righteous won't be forsaken  
You just keep on pressin'

VERSE: I might get personal so protect your toes  
Cause i feel i need to let my heel down  
For we do all that we can to  
Treat our NEIGHBOR right but  
Sometimes we wanna scream  
We try to turn the other cheek  
And stay on our knees and keep our tempers under  
control, but you know  
Every now and then you wanna tell somebody what  
they mean

CHORUS: Sometimes heaven seems so far away  
With all that you're going through everyday  
From being tempted to resented and you need  
direction  
Sometimes heaven seems so far away  
With all of the money spent that you make  
But the righteous won't be forsaken  
You just keep on pressin'

VERSE: Working that Job so hard from dusk to dawn  
To keep a decent roof overhead  
But your debt is evergrowing  
Even working over time  
And sometimes you wanna scream  
But God knows the pain is there and how much we can  
Bear we didn't come this far to be left alone  
That's why we gotta be strong for the prayers of the  
righteous will availeth many things

CHORUS: Sometimes heaven seems so far away  
With all that you're going through everyday

From being tempted to resented and you need  
direction  
Sometimes heaven seems so far away  
With all of the money spent that you make  
But the righteous won't be forsaken  
You just keep on pressin'

HOOK: For the trials that we see are here to make us  
stronger  
Grab onto his hand and live in fear no longer  
Like a tree planted by the rivers of water  
We shall not be moved  
Stand firm in your service  
Your eyes will be dried in the morning

CHORUS: Sometimes heaven seems so far away  
With all that you're going through everyday  
From being tempted to resented and you need  
direction  
Sometimes heaven seems so far away  
With all of the money spent that you make  
But the righteous won't be forsaken  
You just keep on pressin'
