"Weekend Stay"

Visit "[Weekend Stay](#)" on MotoLyrics.com

You take me in your car
It's a lease
You must return it in a day
You've got plans to go away
You take me to all your friends
To say goodbye
It's funny we just met
Feels like I've known you
All my life

PreCHORUS
I'm not delirious
But I'm serious
You're just pieces of me

CHORUS
You healed my pain
For that weekend stay
Two people on their separate ways
You stopped the rain
Made magic in L.A.
I guess I'll see you round some day

Within a crowded room
You would glare at me
With a look that felt too good
Intuitively I understood
Beneath the careless trees
Laid the atmosphere
That got us in the mood
To do what lovers do

PreCHORUS

CHORUS
