Brad Majors Once in a while, she don't want to call you
Speaking on the telephone
And once in your life, she won't want to know you
You look around
The one you've found, she is gone
And that's all the time that it takes
For a heart to turn to stone
The sweeter the wine
The harder to make the break
You hear something about someone
You'd thought you'd known
So baby don't cry like there's no tomorrow
After the night there's a brand new day
And there'll be no pain, and no more sorrow
So wash your face
And phone my place, it'll be OK
And that's all the time that it takes
For a heart to beat again
So give me a sign
That a lover makes
You look around
The one you've found is back again
