In the velvet darkness of the blackest night  
Burning bright, there's a guiding star  
No matter what or who you are.

There's a light over at the Frankenstein Place  
There's a light burning in the fireplace  
There's a light, light in the darkness of everybody's  
life.

I can see the flag fly, I can see the rain  
Just the same, there has got to be  
Something better here for you and me.

There's a light over at the Frankenstein Place  
There's a light burning in the fireplace  
There's a light, light in the darkness of everybody's  
life.

The darkness must go down the river of nights  
dreaming  
Flow Morpheus flow, let the sun and light come  
streaming  
Into my life, into my life.

There's a light over at the Frankenstein Place  
There's a light burning in the fireplace  
There's a light, light in the darkness of everybody's  
life.
