It's astounding
Time is fleeting
Madness takes its toll
But listen closely

Not for very much longer

I've got to keep control
I remember doing the Time Warp
Drinking those moments when
The blackness would hit me

And the void would be calling

Let's do the Time Warp again
Let's do the Time Warp again

It's just a jump to the left

And then a step to the right

With your hands on your hips

You bring your knees in tight
But it's the pelvic thrust
That really drives you insane
Let's do the Time Warp again
Let's do the Time Warp again

It's so dreamy
Oh, fantasy free me
So you can't see me
No, not at all
In another dimension
With voyeuristic intention
Well secluded, I see all

With a bit of a mind flip

You're into the time slip
And nothing can ever be the same

You're spaced out on sensation

Like you're under sedation

Let's do the Time Warp again

Let's do the Time Warp again

Well I was walking down the street

Just a having a think

When a snake of a guy gave me an evil wink

He shook-a me up, he took me by surprise

He had a pick up truck and the devil's eyes

He stared at me and I felt a change

Time meant nothing, never would again

Let's do the Time Warp again

Let's do the Time Warp again

It's just a jump to the left

And then a step to the right

With your hands on your hips

You bring your knees in tight

But it's the pelvic thrust

That really drives you insane

Let's do the Time Warp again

Let's do the Time Warp again
